Exam platform		Exam is being conducted using an AI based online proctorial tool. This tool monitors audio and video feeds of the applicants and report any misconduct(s) by the applicant.

General Guidelines:-

1. Any unfair means or misconducts or malpractice during an online test are strictly prohibited during the exam. Any applicant found indulged in such practices shall be rejected out rightly.
2. Use of calculator is NOT permitted in the exam.
3. You may use pen/pencil and blank sheets for rough work.
4. In case there are multiple entries for an applicant, then only first entry will be considered as final, while remaining entries will be discarded.
5. Applicants are advised to undertake the exam in a quiet and well illuminated area with good internet connectivity and a compatible device (desktop/laptop/ tablet/mobile).
6. Keep the Application Number and email ID (as mentioned above) handy during the online exam. This information will be requested for Section 2. Any mismatch of this information already available in our records, would lead to disqualification.

7. Applicants will not be able to undertake exam on incompatible devices. No consideration will be made on such requests. DIC/MeitY will not be responsible for your incompatible devices.
